

504BP Complaints About Learning Resources

APPROVED: 2019.11.27 (2013.06.19) (1996.12.18)

AMENDED: 2019.11.20

REVIEWED: 2019.11.20

LEGAL REFERENCE:

- Education Act Section 18, 53
- Section 11.1 Human Rights Act
- Alberta Education K-12 Guide to Education

CROSS REFERENCE:

- [504.1AP Complaints about Learning Resources](#)

POLICY STATEMENT:

The Board believes learning resources promote the intellectual, cultural, social, and ethical development of students. While there are approved resources, the Division respects the right and responsibility of teachers to use supplementary learning resources and to modify prescribed curricula to meet educational needs. Staff shall use sound professional judgement in the selection of resources.

The Division recognizes, however, that parents may object to teacher selection of resources and, therefore, authorizes the appeal process established through its procedures.
