Re: WHS and WES Follow Up

Dear Parents/Guardians of WHS and WES Students:

We wanted to follow up with information regarding the positive COVID-19 case at Wainwright High School where the individual was last in school on November 6, 2020. After discussions with AHS over the weekend and again today, we are able to let you know that there will not be further follow up for contact tracing by the schools. This is very fortunate that the individual followed the procedures to fill in the daily checklist, stayed home when symptoms appeared and then had a COVID-19 test. Our thoughts are with the individual for a speedy recovery.

At this time, we want to remind everyone that this is a challenging time for people and mental health supports are available.

- BTPS Social Emotional Coach (SEC) Program: For more information about the Social-Emotional Coach Program, please contact your school Principal, Assistant Principal, Inclusive Learning Teacher, and/or ask for the Social-Emotional Coach.
- [Wainwright on Wellness](#) (WOW - MHCB)
- Mental Health Helpline: Phone: 1-877-303-2642
- Kids Help Phone: 1-800-668-6868

Continue to fill in the [AHS Updated Checklist](#) with your students. We understand that this adds to your morning routine but this is very important. Students need to stay home when they have the symptoms listed. As we move into December, we want to ensure that our students, staff and families remain safe and healthy. If your student does test positive, please contact us as soon as possible for us to ensure we are proactive in our support.

Stay safe and take care,
