May 27, 2021

Good afternoon:

We emailed information that someone affiliated with the school tested positive for COVID 19. The person was last in our school on Tuesday, May 25, 2021.

Students who are affiliated with our Grade 11 class need to self-isolate. We are contacting you as this means that **your student is a close contact** and needs to be at home self-isolating as per the guidelines below.

The self-isolation will remain in place for two weeks. The self-isolation period remains in effect until the **end of Monday, June 7th** unless AHS provides additional information. We appreciate your support in this challenging time.

WHAT TO DO IF YOU'RE IDENTIFIED AS A CLOSE CONTACT

1. BOOK AN APPOINTMENT for testing at alberta.ca or call 811.
2. The CLOSE CONTACT will be legally required to self-isolate for 14 days from the last exposure. Alberta Health Services (AHS) will give you these important dates.
3. Self-isolate means to STAY HOME. Do not leave your home until after the 14 days. Other members of your household do NOT need to self-isolate. Only the close contacts identified by AHS need to self-isolate.
4. WATCH FOR SYMPTOMS which may include fever, cough, shortness of breath, difficulty breathing, sore throat or runny nose. Some people may also have nausea, vomiting, diarrhea or just feel unwell.
5. Isolation will be completed after the 14 days, ONLY if you've remained symptom free the entire isolation period AND any COVID-19 tests come back negative.

HELP KEEP YOURSELF AND OUR COMMUNITY HEALTHY

MAINTAIN A
2 METER
DISTANCE
FROM OTHERS

**WEAR A
MASK**
WHEN PHYSICAL
DISTANCING ISN'T
POSSIBLE

STAY HOME
IF YOU'RE
FEELING UNWELL

FOLLOW
**MASS
GATHERING**
RESTRICTIONS

**WASH
YOUR
HANDS**
FREQUENTLY

The following self-isolation **rules** are in place as per AHS guidelines. These restrictions must be followed if you are in mandatory isolation or quarantine:

- Stay home – People who are self-isolating **must not** leave their own home or participate in any activities outside of their own home (no going to work, school, childcare, places of worship, and/or any other public place), until you are no longer required to self-isolate.
- Avoid close contact with people in your household, especially seniors and people with chronic conditions or compromised immune systems.
- Do not take public transportation like buses, taxis or ride-sharing - this is prohibited.
- Do not go outside for a walk through your neighbourhood or park. This includes children in mandatory isolation or quarantine.
- Do not use elevators or stairwells if you live in an apartment building or highrise, you must stay inside your unit. If your balcony is private and at least 2 metres away from your closest neighbours, you may go outside on the balcony.
- Get fresh air in your backyard, if you have one, but you must remain on private property not accessible by others.
- There is to be no sharing of utensils or meals.
- More information on isolation guidelines is available at: <https://www.alberta.ca/isolation.aspx>

We will follow-up with a phone call as soon as possible today to ensure everyone is aware that their student needs to begin self-isolation immediately. Students are welcomed back to school on Tuesday, June 8th.

The Grade 11 class is moving to at home learning until this time and more information will come from their teachers.

If you have questions, please contact Alberta Health Services at 811, or school administration. Thank you for your cooperation and support during this time.

Thank you.

Sincerely,

Darren Grosky
Principal
