Pre-Alert Letter

Dear Parents/Guardians,

It has come to our attention that two people affiliated with our school have tested positive for COVID-19. Both people were last in our building on Friday, May 28, 2021. All close contacts will receive follow-up communication, and this process is underway right now. If your student is deemed a close contact you will be notified with instructions about what to do.

As a reminder, please continue to be diligent to fill out the daily checklist which is found [here](#). If your child has any of the symptoms of illness listed on the Alberta Health daily checklist call Health Link at 811 and keep your child at home if they show symptoms. Thank you for your efforts in this, as they really do make a difference!

This is a reminder that we need to continue to be diligent in following the guidelines and we thank you for your diligence.

When people are isolating and staying at home more, it can be a challenging time. There are supports available:
