Pre-Alert Letter

Dear Parents/Guardians of Bus PR-09 Students,

It has come to our attention that someone affiliated with the Hughenden School and Bus PR-09 has tested positive for COVID-19. The last contact within the school and on the bus is Tuesday, April 27, 2021. We will be contacting close contacts with a separate communication.

As a reminder, please continue to be diligent to fill out the daily checklist which is found [here](#). If your child has any of the symptoms of illness listed on the Alberta Health daily checklist call Health Link at 811 and keep your child at home if they show symptoms. Thank you for your efforts in this, as they really do make a difference!

This is a reminder that we need to continue to be diligent in following the guidelines during outbreaks as this does impact the learning in school. Thank you for your continued diligence as we know that the restrictions and guidelines are tiring.

When people are isolating and staying at home more, it can be a challenging time. There are supports available:
