### **Pre-Alert Letter**

Dear Parents/Guardians of KHS Students,

It has come to our attention that a person affiliated with the Grade 12 class has tested positive for COVID-19. The person was last in the school on April 23, 2021. We will be contacting close contacts with a separate communication.

As a reminder, please continue to be diligent to fill out the daily checklist which is found [here](#). If your child has any of the symptoms of illness listed on the Alberta Health daily checklist call Health Link at 811 and keep your child at home if they show symptoms. Thank you for your efforts in this, as they really do make a difference!

This is a reminder that we need to continue to be diligent in following the guidelines during outbreaks as this does impact the learning in school. Thank you for your continued diligence as we know that the restrictions and guidelines are tiring.

When people are isolating and staying at home more, it can be a challenging time. There are supports available:
