Pre-Alert Letter

Dear Parents/Guardians,

It has come to our attention that a person affiliated with our school has tested positive for COVID-19. Every case of COVID-19 is investigated by Alberta Health Services (AHS). AHS is currently conducting a case investigation. We have been in contact with AHS and since the person was last in our building on Thursday, April 1 and the onset of symptoms did not appear until Monday, April 12 there are not any close contacts within our school. We are fortunate that this was not contracted or spread within our school. If we receive additional information from AHS, we will communicate this with you. We are committed to being transparent in this process.

As a reminder, please continue to be diligent to fill out the daily checklist which is found [here](#). If your child has any of the symptoms of illness listed on the Alberta Health daily checklist call Health Link at 811 and keep your child at home if they show symptoms. Thank you for your efforts in this, as they really do make a difference!

At this time, we want to remind everyone that this is a challenging time for people and mental health supports are available.
