Pre-Alert Letter

Dear Parents/Guardians of students on WW-18,

It has come to our attention that a person affiliated with bus WW-18 has tested positive for COVID-19. The individual was last in the school and on the bus on April 20, 2021. Students identified as close contacts will receive a follow-up letter (email) with additional information.

As a reminder, please continue to be diligent to fill out the daily checklist which is found [here](#). If your child has any of the symptoms of illness listed on the Alberta Health daily checklist call Health Link at 811 and keep your child at home if they show symptoms. Thank you for your efforts in this, as they really do make a difference!

This is a reminder that we need to continue to be diligent in following the guidelines during outbreaks as this does impact the learning in school. Thank you for your diligence.
