Pre-Alert Letter

Dear Parents/Guardians,

It has come to our attention that a person affiliated with the Grade 8A class has tested positive for COVID-19. This person was last in school on April 19, 2021. Our Superintendent has been in contact with AHS as we work through this process together.

Our grade 8A class will move online Monday. All potential close contacts will receive follow-up communication, this process is underway right now.

As a reminder, please continue to be diligent to fill out the daily checklist which is found [here](#). If your child has any of the symptoms of illness listed on the Alberta Health daily checklist call Health Link at 811 and keep your child at home if they show symptoms. Thank you for your efforts in this, as they really do make a difference!

This is a reminder that we need to continue to be diligent in following the guidelines during outbreaks as this does impact the learning in school. Thank you for your continued diligence as we know that the restrictions and guidelines are tiring.

When people are isolating and staying at home more, it can be a challenging time. There are supports available:
