**Freezing Point** 

**Solubility** 

Specific Gravity 1.01

Section 10. Stability and Reactivity

 Stability and Reactivity
 The product is stable.

Easily soluble in the following materials: cold water

Incompatibility Reactive or incompatible with the following materials: oxidizing materials.

Hazardous Polymerization Will not occur.

and hot water.

Hazardous Decomposition Products Under normal conditions of storage and use, hazardous decomposition products should not be produced.

Vapor Density Not determined.

**Evaporation Rate** <1 (Water = 1)

VOC (Consumer) 0 (g/l).

## Section 11. Toxicological Information

**Carcinogenicity** Ingredients: Not listed as carcinogen by OSHA, NTP or IARC.

#### **Acute Toxicity**

Product code 0915

Material Safety Data Sheet

No known significant effects or critical hazards.

## Section 12. Ecological Information

## Environmental Effects

## Aquatic Ecotoxicity

Not available.

## Section 13. Disposal Considerations

#### Waste Information

Waste must be disposed of in accordance with applicable regulations. Consult your local or regional authorities for additional information.

#### Waste Stream

#### Section 15. Regulatory Information

#### <u>Canada</u>

WHMIS (Canada)

Not controlled under WHMIS (Canada). Regulated under other Act

This product has been classified in accordance with the hazard criteria of the Controlled Products Regulations and the MSDS contains all the information required by the Controlled Products Regulations.

#### Section 16. Other Information

To the best of our knowledge, the information contained herein is accurate. However, neither the above named supplier nor any of its subsidiaries assumes any liability whatsoever for the accuracy or completeness of the information contained herein.

Final determination of suitability of any material is the sole responsibility of the user. All materials may present unknown hazards and should be used with caution. Although certain hazards are described herein, we cannot guarantee that these are the only hazards that exist.
