e-Tutoring Hub Launched

To support the continuity of student learning during the pandemic, the Government of Alberta is planning to launch a new e-Tutoring Hub for students in Gr. 4 to 9 and their parents. The hub will offer free pre-recorded video tutoring sessions to build students' literacy and numeracy skills. Later this year, the education ministry will expand the online tutoring service to cover more grades and subjects, including live tutoring. Feedback from school authorities, parents, and students will inform topics and needs for new tutoring sessions.

Alberta Education has released the first 6 tutorials on the e-Tutoring hub at: www.new.learnalberta.ca

There are 4 in English and 2 in French, targeting grades 4-6. There will be more added.

The initial scope of the Alberta Education project is to provide pre-recorded sessions, in English and in French, for grade 4-9 literacy and in numeracy. Once we receive more information about additional subjects and grade levels being added, we will share the information with you. We do, however, encourage you to check the site frequently so that you are aware of the new content being added.

Speaker's Idol 2022

My name is Melissa Mike and I am the Director of Education with Friends of Simon Wiesenthal Center for Holocaust Studies. Each year we offer a public speaking competition for students in grades 6-12. While our office is located in Toronto, the pandemic has allowed us to move to the virtual space and open this program up across Canada. Last year we received entries from six different Canadian provinces and territories. You can view last year's program by [CLICKING HERE](#). We would love to receive some entries from Alberta!

A vertical poster for the Speaker's Idol 2022 competition. The background is dark blue with a spotlight effect. At the top left, it says 'ALBERT AND EVELYN KRAKAUER AND FAMILY PRESENT' in white. Below that, 'SPEAKER'S IDOL 2022' is written in large, pink, stylized letters. Underneath, 'STAND UP. SPEAK OUT. BE HEARD.' is written in pink. The main text in white reads: 'To Apply: Write a 3-minute speech relating the following quote by Holocaust survivor Simon Wiesenthal: "/>

Happy New Year from Grade 3A at Amisk School!

Honouring Spirit: Indigenous Student Awards

Do you know of an Indigenous youth who has modelled strength and commitment in pursuing their personal, educational goals? If so, consider nominating them for an Alberta School Boards Association "Honouring Spirit: Indigenous Student Award".

Held annually, the awards celebrate the attitudes, actions, and characteristics of nominees from four categories: K to Gr. 3, Gr. 4 to 6, Gr. 7 to 9, and Gr. 10 to 12. Students may be nominated by their peers, teachers, principals, system leaders, or other education community members. The deadline for nominations is Feb. 1, 2022.

More information and Nominations Form on the [ASBA website](#).

Congratulations

MITZI
ISLEY

She is the new temporary
HR Executive Assistant.
Welcome to your new role Mitzi!
We are grateful to have you on
our BTPS team.
