Dear BTPS School Councils:

Re: BTPS Four Year Education Plan Educational Stakeholder Engagements

We have sent a letter to all parents, guardians and staff in BTPS about creating our next Four Year Education Plan. Our previous Four Year Education Plan started in the Spring of 2019, where over 300 BTPS Educational Stakeholders came together to develop the educational direction of the Four Year Education Plan (Four YEP).

To create our next Four Year Education Plan for 2023-2027, BTPS is hosting five stakeholder engagements in January and February. Four will be in person and one will be online. We are sending this letter to all school councils in hopes that each school has representation from the council. Your work within the school is very important and we want to hear from you.

At these sessions, you will have the opportunity to share strengths and wishes for our division as we gather input to set priorities for the next four years. The strategic plan is based on our mission to maximize student learning, in a safe and caring environment, supported by a highly effective team.

- Wednesday, January 18, 2023 - 6:30 - 8:00pm at Provost Public School,
- Thursday, January 19, 2023 - 6:30 - 8:00pm at Wainwright Elementary School,
- Wednesday, January 25, 2023 - 6:30 - 8:00pm at Kitscoty Elementary School,
- Thursday, January 26, 2023 - 6:30 - 8:00pm at Vermilion Elementary School; and
- Wednesday, February 1, 2023 - 6:30 - 8:00pm - Online Session. The zoom link will be shared through your school.

We hope that you are able to join one of our in person stakeholder engagements.

Sincerely,

Rhae-Ann Holoien
