

## **BUFFALO TRAIL PUBLIC SCHOOLS – BTPS Celebrates Education Week**

**NEWS RELEASE – April 26, 2023**

Buffalo Trail Public Schools is excited to announce its participation in Education Week, taking place from May 1-5. This year's theme is "Learning Uplifts All", which celebrates the transformative power of education and the remarkable achievements of students, educators, and communities across the province.

As a school division committed to maximizing student learning, we are proud to showcase the outstanding work of our students and staff during Education Week. Through various activities and events, we will highlight the exceptional teaching and learning taking place in our schools and the positive impact it has on our students and their futures.

Education Week provides an opportunity for us to reflect on the importance of education and the role it plays in shaping the lives of our students. It is a time to recognize the hard work, dedication, and innovation of our educators and the positive contributions they make to our communities.

We invite our staff, families, and community members to join us in celebrating Education Week and the power of learning. Celebrating our students' achievements is uplifting for everyone. Follow us on Twitter @BTPS28 as we share school events and to learn more about our commitment to maximizing student learning.

Together, BTPS is proud to celebrate Education Week and the incredible achievements of our students and educators.
