

BUFFALO TRAIL PUBLIC SCHOOLS – BTPS Countdown to Summer

NEWS RELEASE – June 1, 2023

Buffalo Trail Public Schools is excited to announce the remaining series of exciting events that our students will take part in as we approach the last month of the academic year. From field trips and swimming to track and field, National Indigenous People's Day, National Indigenous History Month celebrations, and graduations, our students will have lots of opportunities to engage in their learning inside and outside of the classroom.

Throughout June, BTPS students will take part in a range of educational field trips that will provide them with unique learning experiences outside of the classroom. These trips will take students to various locations such as museums, zoos, and historical sites, and will help them to expand their knowledge and understanding of the world around them. In addition, students will have the opportunity to participate in swimming and track and field competitions. These events will not only encourage students to stay active and healthy but also help to foster teamwork, leadership, and sportsmanship.

As we celebrate National Indigenous People's Day and National Indigenous History Month, our staff and students will come together to learn about and honour the rich cultural heritage of Indigenous peoples. Through a series of activities and events, students will deepen their understanding of the contributions and struggles of Indigenous peoples and celebrate their heritage, traditions, and values.

Buffalo Trail Public Schools is proud to celebrate the accomplishments of our graduating students. Our graduates have demonstrated hard work and dedication throughout their academic journey, and we congratulate them on this significant achievement. We are proud of our grade 12 students, and we have opportunities to celebrate them at their graduation ceremonies.

As we approach the end of the academic year, Buffalo Trail Public Schools is proud to showcase the amazing talents and accomplishments of our students. We thank our students, teachers, and staff for their hard work and dedication and look forward to a successful conclusion of the academic year.
